

Ever wish advertising on the web was as easy as print?

Now it is.

The Times of Wayne County reaches more homes than any other Newspaper in Wayne County. Advertising in our print edition has always been a simple straight forward process. Our web advertising is no different.

Our banner ads stay up for a minimum of one week. That means there's no need to guess when your ad will run. You'll know exactly when and where it will be run. Seem simple? We thought so.

Number of Ads	1	2-6	7-24	25-52
Large Rectangle	\$50	\$45	\$40	\$35
Medium Rect.	\$35	\$30	\$25	\$20
Small Square	\$25	\$20	\$15	\$10

Decide how many times you wish to run an ad in a 12 month period. The ads do not need to be consecutive or even the same size. That will determine your rates for the various sizes. Have questions? We'd be glad to help.

We can even help you design an ad to get you started.
